

BITO – OBIT: The New Roaring Twenties

Shipping made simple:

- ✓ Digital Freight Forwarding
- ✗ Hands-off platform voor vraag & aanbod
- ✗ SaaS model
- ✗ Forwarder met een platform *als nevendienst*

The opportunity

- **Technological:** Waar is disruptie in forwarding?
- **Social:** B2C vs. B2B
- **Economical:** Rates ≠ Margin

Making shipping simple

“For shippers, big & small

Who are dissatisfied with the fragmented market

Shypple is a digital forwarder offering a full **supply chain experience**,
complete with **live-insights**, in 1 dashboard

While **eliminating the need for e-mail**, excel sheets, followups and
more.”
